\*If reusing content, users should make appropriate efforts to determine the copyright status of the work in other countries and use the work accordingly.

†Content digitized by Google and other kinds of content with third-party restrictions may have limitations on the kinds of reuse that is allowed. For example, Google requests that content they have digitized not be re-hosted, redistributed or used commercially.

††General access is not available. However, works may be made available to affiliates of HathiTrust member institutions under strictly limited conditions in accordance with the statutory limitations to the rights provided by copyright law, including, but not limited to Section 107 provisions for fair use, Section 108 provisions for libraries and archives, and the rights provided to registered users with disabilities.

†††Permission for subsequent use may be required from the rights holder. Uses may also be made in accordance with statutory limitations to the rights provided by copyright law, including, but not limited to Section 107 provisions for fair use, Section 108 provisions for libraries and archives, and the rights provided to registered users with disabilities.
